Lucky Star (Starlovers Remix)

Superfunk

Let me be your lucky star
shining down on youLucky star babe
I wanna be babe,
your lucky star
let me be, be babe
I wanna be... baby, baby,... your lucky star
ohhohhohListen
every night you look up in the sky babe,
there's a light shining in the dark there,
it's me looking down on you girl,
in my heart, you're the only one in my world,
takes some time, just some time to know me,
and let me show you how much you mean to me,
all this love is waiting here just for you,
i'll be your star shining through,
i want to be your lucky star,
i wanna be,
i want to be your lucky star,
your lucky star babe,
all alone...
i want to be your luckystar
(want to be your luckystar... luckystar shinin' down on you)
i want to be your luckystarListen babe.
Heart to heart, is where i wanna be,
whith your love, i know i am complete
I'm here every step of the way, and i see you each and every day.
My love for you is so strong,
and i know, that nothing will go wrong
with you in my life I'll be so happy;
you won't regret my love!(Babe, babe...)
