

All I Know

Five for Fighting

i bruise you
you bruise me
we both bruise so easily
too easily
to let it show
i love you
and that's all i know

all my plans
keep falling through
all my plans they
depend on you
depend on you
to help them grow
i love you
and that's all i know

when the singers gone
let the song go on
it's a fine line between
the darkness and the dawn
they say in the darkest night
there's a light beyond
and the ending always
comes at last
endings always
come too fast
the come to fast and they
pass to slow
i love you
and it's really all i know
it's all i know
it's all.....
a know
