Waiting 4 You

Ian Van Dahl

People tell me one day I'll learn
Someone will give love in return
But all I can see, this picture of youI pick up the phone but you're not home
I cannot believe I'm all aloneI'm here calling your nameI'll be waiting, waiting for you
Don't leave me standing, I'm lost without you
I'll be waiting, waiting for you
Don't leave me standing, I'm lost without youI'm lost without youPeople say it's time to move on
All those things, I've heard them before
They will never know my feelings for youGood things come to those who wait
Still it's so hard to keep my faithI'm here calling your nameI'll be waiting, waiting for you
Don't leave me standing, I'm lost without you
I'll be waiting, waiting for you
Don't leave me standing, I'm lost without youI'm lost without you
