

# Waiting 4 You

Ian Van Dahl

People tell me one day I'll learn  
Someone will give love in return  
But all I can see, this picture of youI pick up the phone but you're not home  
I cannot believe I'm all aloneI'm here calling your nameI'll be waiting, waiting for you  
Don't leave me standing, I'm lost without you  
I'll be waiting, waiting for you  
Don't leave me standing, I'm lost without youI'm lost without youPeople say it's time to move on  
All those things, I've heard them before  
They will never know my feelings for youGood things come to those who wait  
Still it's so hard to keep my faithI'm here calling your nameI'll be waiting, waiting for you  
Don't leave me standing, I'm lost without you  
I'll be waiting, waiting for you  
Don't leave me standing, I'm lost without youI'm lost without you
