Weakness

The Wanted

She aims a smile with the safety off

And she's not afraid to use it

She holds my gaze just long enough

For me to feel like I'm gonna lose itAnd I know that she knows

That I know what she's doing to me

And she knows when she calls

I'll fall for her every time'Cause I'm wrapped I'm wrapped around

Her perfect little finger

And I'm trapped inside the sound

Of every sigh she makes

She is my weakness

She is my weaknessA look from her is like oxygen

How would I keep breathing without her

She breaks a whole as she looks away

Now my heart ain't beating without herAnd I know that she knows

That I know what she's doing to me

And she knows when she goes

I'll come for her every time'Cause I'm wrapped I'm wrapped around

Her perfect little finger

And I'm trapped inside the sound

Of every sigh she makes

She is my weakness

She is my weaknessI know it might sound crazy

But I don't wanna let go

Now I don't mind spending

Every night if you don't let goI know it might sound crazy

But I don't wanna let go

Now I don't mind spending

Every night if you don't let goI know it might sound crazy

But I don't wanna let go

Now I don't mind spending

Every night if you don't let go'Cause I'm wrapped I'm wrapped around

Her perfect little finger

And I'm trapped inside the sound

Of every sigh she makes

She is my weakness

She is my weaknessOooooo
