

# More And More

Webb Pierce

More and more  
I'm forgetting the past  
More and more I'm livin' at last  
Day by day I'm losin' my blues  
More and more I'm forgettin' 'bout you But oh how I tried to keep you by my side  
And oh how I cried the day you said goodbye  
Day by day I'm losin' my blues  
More and more I'm forgettin' 'bout you But oh how I tried to keep you by my side  
And oh how I cried the day you said goodbye  
Day by day I'm losin' my blues  
More and more I'm forgettin' 'bout you
