Wait For Me

M2m

you're tired of longing
And waiting by the phone
And all you get from me
Is a sappy love song
But I'm tired of flying and hearing the busy tone
Well, I sing for a lot of people
but I'm also sleeping alone
Wait for me
I'll come back to you,
You know because I want to
Wait for me
Will you make it through?
Please tell me that you'll
Wait for me
And I will wait for you
You want me to come back
A perfect summer day
Where we can be together
That's what you always say
I know I'll maybe come back
A day or two in May
But, maybe I won't leave again
Yes maybe I will stay

Wait for me
I'll come back to you,
You know because I want to
Wait for me
Will you make it through?
Please tell me that you'll
Wait for me
And I will wait for you
You know that I will
Waiting for you
I'm waiting here still
Still waiting for you
And I hope that you will
Wait for me
I'll come back to you,

You know because I want to
Wait for me
Will you make it through?
Please tell me that you'll
Wait for me
And I will wait for you
