

# When I Look At You

[Julia Sheer](#)

Everybody needs inspiration  
Everybody needs a soul  
A beautiful melody  
When the night's so long  
Cause there is no guarantee  
That this life is easy Yeah, when my world is falling apart  
When there's no light to break up the dark  
That's when I, I, I look at you  
When the waves are flooding the shore and I  
Can't find my way home anymore  
That's when I, I, I look at you When I look at you  
I see forgiveness  
I see the truth  
You love me for who I am  
Like the stars hold the moon  
Right there where they belong and I know  
I'm not alone Yeah, when my world is falling apart  
When there's no light to break up the dark  
That's when I, I, I look at you  
When the waves are flooding the shore and I  
Can't find my way home anymore  
That's when I, I, I look at you You, appear, just like a dream to me  
Just like cyledoscope colors that  
Prove to me  
All I need  
Every breath, that I breathe  
Dontcha know?  
Your beautiful Yeah yeah... When the waves are flooding the shore  
And I cant find my way home anymore  
Thats when I,  
I I look at you  
I look at you Yeah yeah...  
Oh oh...  
You appear just like a dream to me...
