Unnatural

The Jezabels

Through the desert
With a mother
I imagine
Simple pleasures
Neverending
Beauty pageantsIn your old eyes
Crows landing
In the vestige
Of your beauty
Baby Jesus
In the wreckage
But I'm unnatural, I see
I'm unnatural, I see
I'm unnatural
In a dark place
Maybe in a fantasy
We could stay forever, love
You and me
But how unnaturalCultured silk, I'm
Cloaked in milk like
Cleopatra
It's the blood of children
That you bathe in
Dark magicOne day I'll make a cream
To make the day
Stay this way
When I'm unnatural, I see
I'm unnatural, I see
I'm unnatural
Coming through the glass
I'm a fatal monstrosity
I'm a showstopper, baby
And I'm born to be
So unnaturalAnd out on the field
They ran in glee, did circles
Out on the field
Always been a part of me, a surplusBlame it on the sun
Blame it one the moon
Blame it on the progress

Blame it on the cycle
Blame it on the stars
Fairly agoraphobic
Maybe you'll stay with me
Blame it on the projectWhen I'm unnatural, I see
I'm unnatural, I see
I'm unnatural
Coming through the glass
I'm a fatal monstrosity
I'm a showstopper, baby
And I'm born to be
So unnaturalAnd out on the field
They ran in glee, did circles
Out on the field
Always been a part of me, a surplus
