

# Go for It (Shallou Remix)

## CRUISR

I'm all out of things to say  
You can't seem to look away  
So you delay  
You're making me hallucinate  
I'm making you levitate  
SÃ³ what are you waiting for now  
Darling it's you move  
I'm in you face  
What does it take  
Go ahead now go for it  
Go ahead now go for it  
Inches away  
It's A-ok  
Go ahead now go for it  
Go ahead now go for it  
I'm handing up in the air  
I'll wait for you there  
Or anywhere...  
Bali or Timbuktu  
Marianas or the moon  
I will be waiting for you  
Darling it's you move  
I'm in your face  
What does it take  
Go ahead now go for it  
Go ahead now go for it  
Inches away  
It's A-ok  
Go ahead now go for it  
Honey I won't read between the lines  
Won't you make up your mind  
Won't you make up your mind  
You and I don't need a number nine  
Won't make up your mind  
Won't make up your mind  
I'm in you face  
What does it take  
Go ahead now go for it  
Go ahead now go for it

I'm in your face  
What does it take  
Go ahead now go for it  
Go ahead now go for it  
Inches away  
It's A-ok  
Go ahead now go for it  
Go ahead now go for it
