Turn Me Loose

The Impalers

I called you yesterday
You're too busy to have a conversation
I'm trying hard to hold onto us but
Seems like you don't want to stay
So tell me why is there someone taking my time?
(Please don't tell me know lies)
I can feel it
Tell me what the truth is, I don't want to do this
Ain't know use in tryin' to stay if you gon' turn me loose
Baby, if you gon' turn me loose, ya
Well you used to be sweet to me
Now it feels like a bad situation
You say you love me, but you have changed
I'm tired of running, running after you
So now, I'm gon' get my things and walk out the door
I don't wanna hear it no more
I know what the truth is, I ain't tryin' to do this
Ain't know use in tryin' to stay if you gon' turn me loose
Baby, if you gon' turn me loose
Why should I stay?
You need to let me go, babe
Turn me loose, ya
Someone gon' want me
Gotta let you go, gotta let you go, gotta let you go
So now, I'm gon' get my things and walk out the door
I don't wanna hear it no more
I know what the truth is, I ain't tryin' to do this
Ain't no use in tryin' to stay if you gon' turn me loose
Oh! Not gonna do it baby no more, hey
If you gon' turn me loose
(Why keep on tryin', tryin, you got to fight it, fight it)
Tryin' to hold onto us, hey
(Why keep on tryin', lyin')
If you gon' turn me loose
Say what you gonna do, if you gon' turn me loose?
Say what you wanna do, if you gon' turn me loose?
Say what you gonna do, if you gon' turn me loose?
Say what you gonna do, if you gon' turn me loose?
Say what you gonna do, if you gon'

Say what, what you wanna do, if you gon' turn me loose?
Somebody gonna treat me right, hey, better than you
Let me go, oh baby, baby, baby
Say what you gonna do, if you gon' turn me loose?
Say what you gonna do, turn me loose?
Say what you gonna do, if you gon' turn me loose?
Say what you gonna do? Oh, baby, if you gon' turn me loose?
