The Way It Is

Chicken Shack

There's no time
to explain why I'm going
Yes, that's the way it is
There's no time
to explain why I'm going
Yes, that's the way it isYou give me good reason, darling
So dry your eyes and cry no more
You don't need my loving
That's the way it is
Cry no more
You never realize
the things you've done to mine
You never realize
the things you've done to mine
So I'm leaving you now, darling
Yes, that's the way it is
Don't think I'm a wrong guyGo and see your friends
Tell them you're free
Go see your friends
Tell them you're free
If you get the same treatment
that I gave you baby
Think yourself a laugh but I'm going
Yes, that's the way is with me
