

Slow Twistin'

Chubby Checker

I wanna hear wanna know why I'm happy baby

Got a smile that tendy wide

Everything you say you tell me baby

And my heart just fills with pride

Cause I got

Something to shout about

Oh yes I have

Gonna tell the whole wide world

Well I've got

Something to shout about

Oh yes I have

Say ya gonna be my girl

(Instrumental)

I guess that anyone can see that I'm a dreamer

I always dream of you

I don't care if you say that I'm a dreamer

Since the day my dream came true

Cause I got

Something to shout about

Oh yes I have

Gonna tell the whole wide world

Well I've got

Something to shout about

Oh yes I have

Say ya gonna be my girl

Hey yeah

(Instrumental)

Hey

I got

Something to shout about

Oh yes I have

Gonna tell the whole wide world

Well I've got

Something to shout about

Oh yes I have

Say ya gonna be my girl

(Instrumental)

I wanna everyone to know why I'm happy

Got a smile that's tenty wide
Everyday you say you love me baby
And my heart just fills with pride
Cause I got
Something to shout about
Oh yes I have
Gonna tell the whole wide world
Well I've got
Something to shout about
Oh yes I have
Say ya gonna be my girl
Well I got
Something to shout about
Oh yes I have
Gonna tell the whole wide world
Yes I've got
Something to shout about
Oh yes I have
Say ya gonna be my girl
Hey
Say ya gonna be my girl
Hey yeah
Say ya gonna be my girl
Well
Say ya gonna be my girl
Yeah
