

Good Enough

Van Halen

Hello baby!

Yeah, yeah

Dig it

Wow U.S. prime, grade A stamped, guaranteed

Grease it up and turn on the heat

You gotta' throw it down and roll it over once, maybe twice

And chow down, and down and down and down 'Cause she's good enough, good enough to

Me, I can't get enough, I can't get enough

When it's good enough to Hey! oh, me, I been working up an appetite

It seems like the harder I work, the more my body needs

I like to open up. come on give me six on the half-shell

'Cause it's 3 6 9 time 'Cause she's good enough, good enough to

I can't get enough, I can't get enough

She's good enough, she's good enough

Good enough to, she's good enough to, oh Hey waitress, look it here man, you got any specials here tonight

Me and the fellas might be interested in?

What's that? What? Rack a what?

Well, I'll have some of that Hey, hey, hey, I'll be the first to say, that I'm blind to the world

'Cause I'm two days gone, and I just can't see

Yeah! but I ain't no fool, and honey I know a good thing

And she's comin', now she's-a comin'

Uh, come on, come on, come on, come on 'Cause she's good, good, good, good enough

Good, good, good, good enough

Good, good, good, good enough

Good, good, good, she's good enough

Good, good, good, good

Good enough to
