

To the Kill

Violent Femmes

Ain't had no fun
All the time jacking around
Ain't had no fun
All the time messin mindI kick it around
But if it's alright with you
If it's alright, yes I will
Aw, c'mon babe
Go ahead to the killI ain't no kid Chicago
I ain't no Al Capone
But there's a windy city
In my bedroom aloneI said I don't live in Chicago
I don't know no Al Capone
That bitch took my money
And went to Chicago
