

You're as Right as Rain

John Basile

You're as right as rain
Mellow as a shower on a summer's day
You're as right as rain
Softer than a flower, sweet as marmalade
You're made that way

Every man has a secret dream
Quiet thoughts trap his inner need
To open and tell someone
Of the things he's hiding from
Sometimes it's a childish game
We play but I don't feel that way

'Cause you're as right as rain
Mellow as a shower on a summer's day
You're as right as rain
Softer than a flower, sweet as marmalade
You're made that way

As a boy I learned how to hide
All too well how to keep inside
The way I felt about a girl
How to keep her in my world
Strange how love can change your head
You made me see I've been misled

'Cause you're as right as rain
Mellow as a shower on a summer's day
You're as right as rain
Softer than a flower, sweet as marmalade

You're as right as rain
Mellow as a shower on a summer's day
You're as right as rain
Softer than a flower, sweet as marmalade

You're as right as rain
Mellow as a shower on a summer's day
You're as right as rain
