Fine

Federale

I'm a boomerang in the outback Keep your throwing arm steady So I get home I'm a vampire bat out in Shanghai Haven't eaten in four days I've ordered in a Chinese takeaway I show more than I hide I care more than I cry I'm a phonograph, baby My wires are live and I'm in crisscross Fine, fine, I feel fine, fine I'm a fortune cookie Full of cheap advice I'm a suicide rookie Blowing last call Show more than I hide Care more than I can cry I'm a phonograph, baby My wires are live and I'm in crisscross Fine, fine, I feel fine, fine I feel fine, fine, I feel fine, fine I feel fine, fine, I feel fine, fine I feel fine, fine, I feel fine, fine
