Car Crash

Avengers

Sitting at home all alone
I hear a voice on the telephone
Telling me that you're dead
You wrecked your car, you lost your headDreamt you had a car crash, now you're
Dead on the road with your head smashed
Well, I heard the news, can't be true
Look what happened to youWhoa, oh, no, no, no, no
Whoa, oh, no, no, no, no
Whoa, oh, no, no, no, noWhy did you leave me, where did you go?
Knew this would happen and I told you so, but
You didn't listen to what I said
Look at you baby, you lost your headI dreamt you had a car crash
Dead on the road with your head smashed
Heard the news, can't be
How could you have done this to me?Whoa, oh, no, no, no, no
Whoa, oh, no, no, no, no
Whoa, oh, no, no, no, noGone, gone, gone
You left meSitting at home all alone
I hear a voice on the telephone
Telling me that you're dead
Man, you lost your headWhoa, oh, no, no, no, no
Whoa, oh, no, no, no, no
You're dead you left meWhoa, oh, no, no, no, no
You're gone now
Whoa, oh, no, no, no, no
