

Love Has Gone

[Netsky](#)

Love has gone
And then love has gone
Don't they know?
Love has gone
And then love has gone Love has gone
And then love has gone
Don't they know? Love has gone
And then love has gone Love has gone
And then love has gone
And then love has gone
And then love has gone Love has gone
And then love has gone
And then love has gone Love has gone
Don't they know? Love has gone
And then love has gone
Don't they know? Love has gone
And then love has gone
Don't they know? Love has gone
And then love has gone
Don't they know? Love has gone
And then love has gone Love has gone
And then love has gone Love has gone
And then love has gone Love has gone
And then love has gone
