

# Wouldn't It Be Nice

Brian Wilson

Wouldn't it be nice if we were older?  
Then we wouldn't have to wait so long  
And wouldn't it be nice to live together  
In the kind of world where we belong You know it's gonna make it that much better  
When we can say goodnight and stay together Wouldn't it be nice if we could wake up  
In the morning when the day is new?  
And after having spent the day together  
Hold each other close the whole night through Happy times together we've been spending  
I wish that every kiss was never ending  
Wouldn't it be nice? Maybe if we think, and wish, and hope, and pray, it might come true  
Baby, then there wouldn't be a single thing we couldn't do  
We could be married  
And then we'd be happy Wouldn't it be nice?  
You know it seems the more we talk about it  
It only makes it worse to live without it  
But let's talk about it  
Wouldn't it be nice?
