

All She Wants Is (Eurohouse Mix) [Remastered]

Duran Duran

All she wants is...

All she wants is...

All she wants is...

All she wants is...

All she wants is...

All she wants is...

Hey...

Spend your money on the corner now,

Know you've gotta save some for the shoeshine boy

You've been pulling them by the hand inside,

Oh...collecting all your toys.

If you need a lead to heaven now, just stick around

You're going to be there.

What do you care?

What do you dare?

What does your heart say now?

All she wants is...

All she wants is...

All she wants is...

Divine intervention, couldn't keep the word from leaking out,

With your pleasure in suspension

Not to mention what you hang it around

If you need a lead to heaven,

A place to share

In every position..

What do you care?

What do you dare?

What does your heart say now?

All she wants is...

All she wants is...

All she wants is...

More!

All she wants is...

All she wants is...

All she wants is...All she wants is...

All she wants is...

All she wants is...
