

Soda

Azealia Banks

I tried to hide behind tired eyes, I sigh
I'm tired of trying to try not to cry and
I say soda, soda
Tye dye O'er
I roll the dye
I coast, I dose, I smile a guise
I'm trying to hide behind tired eyes, I sigh
I might survive the nighttime, I might die
I say soda soda, I'm a high roller
Yo sir I pose for the poster yep! Icy Cola Coca, Sprite I love the most-a!
I ride roller coasters! I try all the cultures!
A smile, a guise
Nighttime, is mine to lie eyes awide and I
I'm tired of trying to try not to cry and I say soda
I'm lotta, yo sir
I ride roller
I try all the cultures!
Light my swollen smoker
I might comatosa
I once used to be your girl I used to be your girl
Been too busy, but I don't wanna deal with you
Been thinkin' 'bout the way you treat me right, yeah
It's you and me, but I don't wanna deal with you
Been thinking 'bout the way you'll leave me right, here
Been too busy, but I don't wanna deal with you
Been thinkin' 'bout the way you treat me right, yeah
It's you and me, but I don't wanna deal with you
Been thinking 'bout the way you'll leave me right, here I'm trying to hide behind tired eyes, I sigh
I'm tired of trying to try not to cry and
I say soda, soda
Tye dye O'er, I roll the dye, I coast, I dose, I
Tra-la-la-la-la-la
I'm trying to hide behind tired eyes, I sigh
I'm tired of trying to try not to cry and
I say soda soda, I'm a high rolla yo sir
I pose for the poster yep!
Icy Cola Coke-a, Sprite I love the most a!
I ride rollercoasters, I try all the cultures
A smile, a guise
Nighttime is mine, and my eyes are wide at night
