

Ride Again

Mates of State

RowThe Bull Grecian says, "What have you read?"

I come from there, it's executive-sized

It's useless he shares, these legs are all wrong

What Gray often says, it's executive-sized

To ride again

Ride again thoughI don't know, 'cause I've been told, 'cause I am insideThe Bull Grecian says, "Don't waste
your own time."

You're seeking his grace

It's executive-sized

To ride again

Ride again thoughI don't know, 'cause I've been told, 'cause I am insideWhat a sight, ohI don't know, 'cause
I've been told, 'cause I am inside
