

# Hoinfodaman

## Primus

How 'bout one of them foot long sandwiches?  
Got some tasty cola right here  
Now look at that Chevy go  
She's faster than greased up lightning  
Soda pops and pimple cream will gladly kick ya down the green  
Just coat your cred with vaseline and shove it up your ass

I used to be a pimp  
But now I'm hoinfodaman  
I'm hoinfodaman  
I'm hoinfodaman  
I used to be a pimp  
But now I'm hoinfodaman  
I'm hoin' for the advertising  
Advertising man  
Oh man, that's a juicy burger  
Crispy on them fries please  
I used to be a pimp  
But now I'm hoinfodaman  
I'm hoinfodaman  
I'm hoinfodaman  
I used to be a pimp  
But now I'm hoinfodaman  
I'm hoin' for the advertising  
Advertising man

(He used to be a pimp  
But now he's hoinfodaman  
He's hoinfodaman  
He's hoinfodaman  
He used to be a pimp  
But now he's hoinfodaman  
He's hoin' for the advertising  
Advertising man)

Soda pops and pimple cream will always kick ya down the green  
But the worst thing about ol' Charlie Sheen is when Hanes, they sold his ass

I used to be a pimp  
But now I'm hoinfodaman  
I'm hoinfodaman  
I'm hoinfodaman

I used to be a pimp  
But now I'm hoinfodaman  
I'm hoin' for the advertising  
Advertising man  
He used to be a pimp  
But now he's hoinfodaman  
He's hoinfodaman  
He's hoinfodaman  
He used to be a pimp  
But now he's hoinfodaman  
He's hoin' for the advertising  
Advertising man
