

# Until I Believe In My Soul

## Dexy's Midnight Runners

I'll need tonight to sit and think about this  
Think what to do  
I'll take some strength to banish hollow sorrow  
Hollow sorrow's nothing new  
Just enough strength to last until tomorrow  
Till I believe in my soul, till I believe in my soul  
Tonight I lost sight of your purpose  
Despite all this trickery you told me was right  
I was such a good boy, I let you hold the door  
So kind, so nice, where's my prize? That's all there ever is  
Oh yeah, yeah, yeah  
That's all there ever was  
Oh yes, yes, yes  
The same for everyone  
Oh yeah, yeah, yeah That's all there ever is  
Oh yeah, yeah, yeah  
That's all there ever was  
Ah, you must be fucking joking  
The same for everyone  
Oh yeah, yeah, yeah Would you please repeat that, break this to me gently  
Stand over there  
Oh, I know I was an arrogant boy, I let you hold the door  
So kind so nice, where's the I believe in  
I believe in  
I believe, yes  
I believe, yeah I'm on the train from New Street to Euston  
I'm going out to Harrow again  
And I'm trying to get the feeling  
That I had in nineteen seventy two  
I'm saying, wait a minute there, wait a minute there  
Hold it, stop, stop, let me get this clear That's all there ever is  
Oh yeah, yeah, yeah  
That's all there ever was  
Oh yes, yes  
The same for everyone  
Oh yeah, yeah, yeah I know what this is, this is just the difference between  
It's the battle between the body and the soul, the spirit  
What I'm gonna do now is I'm going to punish my body  
I'll punish the body to believe in the soul, I will punish  
My body, until I believe in my soul

[Inaudible] Yes, yes, yes, yes  
Yes, yes, yes  
I believe it's there That's all there ever is  
Oh yeah, yeah, yeah  
That's all there ever was  
Oh yes, yes  
The same for everyone  
Oh yeah, yeah, yeah That's all there ever is  
That's all there ever was  
The same for everyone  
Yes, yes, yes  
That's all there ever is  
Oh yeah, yeah, yeah
