

Edie (ciao Baby)

The Cult

Always said you were a youth quaker, Edie
A stormy little world shaker
Oh, Warhol's darling queen, Edie
An angel with a broken wing
The dogs lay at your feet, Edie
Oh, we caressed your cheek
Ooh, stars wrapped in your hair
Ooh, life without a care
But your not there
Oh, caught up in an endless scene, Edie
Yeah, paradise, a shattered dream
Oh, wired on the pills you took, Edie
Your innocence dripped blood, sweet child
The dogs lay at your feet, Edie
Oh, we caressed your cheek
Ooh, stars wrapped in your hair
Ooh, life without a care
Ciao baby
Shake it, boy
Oh, sweet little sugar talker

Paradise dream stealer
Oh, Warhol's little queen, Edie
An angel with a broken wing, oh
The dogs lay at your feet, Edie
Oh, we caressed your cheek, well
Stars wrapped in your hair
Ooh, life without a care
Yeah, yeah, yeah
Why did you kiss the world goodbye?
Ciao baby
Don't you know paradise takes time?
Ciao, yeah
Why did you kiss the world goodbye?
Ciao baby
Don't you know paradise takes time?
Ciao, yeah
Ciao baby, yeah
Ciao baby

Ciao baby, yeah
Ciao baby
