

# Hey Mann

Lizz Wright

[Chorus: 1]

Hey mann what you doing here  
I don't remember letting you in

[Chorus: 2]

Hey mann how'd you get in here  
You're in my heart without consent

I always took pride in my self-control  
To my heart only I had the key

But somethings gone wrong with my radar screen  
You slipped by and you captured me

[Chorus: 1]

[Chorus: 2]

I've done all I could to keep my head clear  
Logic tells me that this should never be

But there's no mistaking the shape I'm in  
Love has filled my every waking day

[Chorus: 1]

[Chorus: 2]

Now hear, here's the strangest thing  
The day has come I thought I'd never see

I walk smiling in a light-glow and I'm calling out your name  
I've lost the battle and I'm quiet well pleased

[Chorus: 1]

Hey mann how'd you get in here  
You're in my heart

[Chorus: 1]

Hey mann how'd you get in here  
You're in my heart
