

# Nero

## Two Steps from Hell

Nero

He can be anywhere on earth

And still be there for you

Nero

He can do anything in life

While you're feeling lost and lonely

But I swear - he will care

Nero

Only when dreams have died

It's time to say goodbye

Ooh Nero

You can stand any pain

With a smile on your face - I swear

Nero

Just smile

So destiny won't keep you crying

Nero

Let your heartlight find a way

Let everybody know what you say

Nero

He can bear anything

Except your tears - I swear

Ooh Nero

He can fight anyone

But he's caught in your love - I swear

Nero...

Nero

He can be anywhere

And still be there for you

Nero

I see you standing there

With a smile on your face - I swear
