Your Love

Bernard Williams II

Your Love â€“ Bernard Williams II
Your Love overshadows my thoughts
Overcomes all my fears
Covers all my guilt and shame.

Your Love grants me Grace and Favor,
Understands where I am,
Lifts where you want me to be.

Itâ€™s amazing, So amazing
How You love me more.

Love above all mountains
Goes through the low valleyâ€™s
Your Love, Your Love.

Covers the earth and it knows about me
Your Love, Your Love

Where would I be without it,
How could I live without it,
I would be lost without it,
Your Love, Your Love
