City Hall

Aaron Zigman

Me and my baby on a February holiday
'Cause we got the news, yeah, we got the news
500 miles and we're gonna make it all the way
We've got nothing to lose, we've got nothing to lose
It's been 10 years waiting
But it's better late than the never
We've been told before
We can't wait one minute more
Oh, me and my baby driving down
To a hilly seaside town in the rainfall
Oh, me and my baby stand in line
You've never seen a sight so fine
As the love that's gonna shine at city hall
Me and my baby
Have been through
A lot of good and bad
Learned to kiss the sky
Made our mama's cry
I've seen a lot of friends
After giving it all they had
Lay down and die
Lay down and die
10 years into it, here's our window
At the Vegas drive through chapel
It ain't too much for 'em all
To handle
Oh, me and my baby driving down
To a hilly seaside town in the rainfall
Oh, me and my baby stand in line
You've never seen a sight so fine
As the love that's gonna shine at city hall
Outside, they're handing out
Donuts and pizza pies
For the folks in pairs in the folding chairs
My baby's looking so damned pretty
With those anxious eyes
Rain-speckled hair and my ring to wear
10 years waiting for this moment of fate
When we say the words and sign our names

If they take it away again someday
This beautiful thing won't change
Oh, me and my baby driving down
To a hilly seaside town in the rainfall
Oh, me and my baby stand in line
You've never seen a sight so fine
As the love that's gonna shine
Oh, me and my baby driving down
To a hilly seaside town in the rainfall
Oh, me and my baby stand in line
You've never seen a sight so fine
As the love that's gonna shine at city hall
