

I'm Not Afraid to Die

[Gillian Welch](#)

Nobody knows what waits ahead
Beyond the earth and skyLied, lied, lie
I'm not afraid to dieAnd there the work of my own hand
Be broken by and byLied, lied, lie
I'm not afraid to dieSometimes it finds me fast asleep
And wakes me where I lieLied, lied, lie
I'm not afraid to dieForget my sins upon the wind
My hobo soul will riseLied, lied, lie
I'm not afraid to dieLied, lied, lie
I'm not afraid to die
