Seeing is Believing

Scratch Massive

Seeing is believing
And in my arms I see her, she's here
Really here, really mine now
She seems at home here
Seeing is believing
I dreamt that it would be her
At last life is full, life is fine now
Whatever happens one thing is certain
Each time I see a train go by
I'll think of us, the night, the sky, forever
He's young, very young but appealing
I feel I know him
Seeing is believing
And I like what I see here
I like where I am what I'm feeling
What are we doing? Can you believe it?
A starving actress and a star-struck boy
Oh, well I might as well enjoy this moment
Can you believe it?
Seeing is believing
I never thought I'd be here
Is this really me? Am I dreaming?
No way of knowing where this is leading
It's fun forgetting who we are
Who cares
When now the world is far
Behind us?
Seeing is believing
My life is just beginning, we touched
And my head won't stop spinning
From winning
