

# God Has Not 4got

## Tonex

God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
If He said that He would do it, it will come to pass  
God has not 4got, God has not 4got  
Can you help me saying  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
If He said that He would do it, it will come to pass  
God has not 4got, God has not 4got  
Just keep on believing, God has not 4got  
Just keep on believing, God has not 4got  
'Cause if He said that He would do it, it will come to pass  
God has not 4got about you, no  
God has not 4got  
Could you help me saying  
Just keep on believing, God has not 4got  
Just keep on believing, God has not 4got  
If He said that He would do it, it will come to pass  
God has not 4got, God has not 4got  
Don?t get discouraged, God has not 4got  
Don?t get discouraged, now, God has not 4got  
'Cause if He said that He would do it, I know it will come to pass  
God has not 4got, God has not 4got  
Can you help me saying

Don?t get discouraged, God has not 4got  
Don?t get discouraged, God has not 4got  
If He said that He would do it, it will come to pass  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
Just keep on believing, God has not 4got  
God has not 4got  
Don?t get discouraged, God has not 4got  
God has not 4got  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got

God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got  
God has not 4got, God has not 4got

Praise him right now

Praise him right now

Praise him right now

It ain't over to God say's over

It ain't over to God say's over

It ain't over to God say's over
