

# Impulsive

## phil thomson

The secret of love  
I thought I understood  
The way it's supposed to be  
I never imagined you could  
Blow my theory apart but now you're running  
    Away with my heart  
    I don't wanna think about it  
    Don't wanna think clear  
    Don't analyze  
    What I'm doing here  
    Wanna be impulsive  
    Reckless  
    And lose myself  
    In your kiss  
    Arrows through hearts  
    Drawn on a misty window  
You're taking me home in the rain  
    My heart it's beating don't say no  
My head keeps saying, "Take it slow"  
    I don't wanna think about it  
    Don't wanna think clear  
    Don't analyze  
    What I'm doing here  
    Wanna be impulsive  
    Reckless  
    And lose myself  
    In your kiss  
You're giving me a feeling

    It's a sudden rush  
    Acting on the moment  
    Spontaneous  
    Ooh this is not like me  
    To follow my heart so easily  
    I am reckless, impulsive  
I never imagined you could blow my theory apart  
But now you're running away with my heart, my heart  
    I don't wanna think about it  
    Don't wanna think clear

Don't analyze  
What I'm doing here  
Wanna be impulsive  
    Reckless  
    And lose myself  
    In your kiss  
    You're giving me a feeling  
    It's a sudden rush  
    Acting on the moment  
    Spontaneous  
    Wanna be impulsive  
    Reckless  
    And lose myself  
    In your kiss  
    Impulsive, I wanna be, impulsive  
    I'm gonna be impulsive  
    Reckless  
    And lose myself, lose myself
