

What Hurts The Most

Cascada

I can take the rain on the roof of this empty house

That don't bother me

I can take a few tears now and then

And just let them out

I'm not afraid to cry

Every once in a while even though goin' on

With you gone still upsets me

There are days

Every now and again I pretend I'm okay

But that's not what gets me

What hurts the most

Was being so close

And having so much to say

And watching you walk away

Never knowing

What could have been

And not seein' that lovin' you

Is what I was tryin' to do

It's hard to deal with the pain

Of losing you everywhere I go

But I'm doin' it

It's hard to force that smile when I

See our old friends and I'm alone

Still harder

Gettin' up, gettin' dressed

Livin' with this regret

But I know if I could do it over

I would trade, give away all the words

That I saved in my heart

That I left unspoken

What hurts the most

Was being so close

And having so much to say

And watching you walk away

Never knowing

What could have been

And not seein' that lovin' you

Is what I was tryin' to do

I'm not afraid to cry
Every once in a while even though goin' on
With you gone still upsets me
There are days
Every now and again
I pretend I'm okay
But that's not what gets me
What hurts the most
Was being so close
And having so much to say
And watching you walk away
Never knowing
What could have been
And not seein' that lovin' you
Is what I was tryin' to do
What hurts the most
Was being so close
And having so much to say
And watching you walk away
Never knowing
What could have been
And not seein' that lovin' you
Is what I was tryin' to do
