Coffee Break (Album Version)

Forever the Sickest Kids

I'm two cups into my coffee break.
I'm sitting alone in the cafe from the way.
Reading all by myself
Turning my cell off just to breath
And everyone I know just keeps calling me.
And I just need a little time.Cause I'm overcommiting myself.
I guess this is growing up
I'm sleeping so little these days.
I guess this is growing up
I'm feeling things are about to change
I'm guessing this is growin' up
Yeah I'm growing up.And my mom hates my guts.
She has every reason to
From all the things I do.
And it breaks me just to know
That I have torn her apart so many times.
So many timesCause I've overcommitted myself.
I guess this is growing
I'm sleeping so little these days.
I guess this is growing up
I'm feeling things are about to change
I'm guessing this is growin' up
Oh I'm guessing this is growing up
