

Feels Like Home

[Charlotte Jaconelli](#)

A window breaks down a long dark street
And a siren wails in the night
But I'm alright cause I have you here with me
And I can almost see through the dark there's light
If you knew how much this moment means to me
And how long I've waited for your touch
If you knew how happy you are making me
I've never thought I'd love anyone so much
Feels like home to me
Feels like I'm all the way back where I come from
Feels like home to me
Feels like home to me
Feels like I'm all the way back where I belong
Feels like I'm all the way back where I belong
