Absent Friends

Saxon

You went in the morning
We didn't say goodbye
The friends that you left here
Wonder why, wonder whyI wish, I could see you
Just for a day
Tell you, we missed you
Ask you to stay, ask you to stayTo absent friends
This one's for you, this one's for you
To absent friends
This one's for you, this one's for youYou went without warning
We didn't even know
Just like the good ones
It was your turn to go, your turn to go
To absent friends
(To absent friends)
This one's for you, this one's for you
(This one's for you)
To absent friends
(To absent friends)
This one's for you, this one's for you
(This one's for you)When we're together
You stand by our side
We'll raise our glasses
And toast you tonight, toast you tonightYou went in the morning
We didn't say goodbye
Friends that you left here
Wonder why, wonder why
Wish, I could see you
Just for a day
Tell you, we missed you
Ask you to stay, ask you to stay, yeahTo absent friends
(To absent friends)
This one's for you, this one's for you
(This one's for you)
To absent friends
(To absent friends)
This one's for you, this one's for you
(This one's for you)To absent friends
(To absent friends)

This one's for you, this one's for you
(This one's for you)
To absent friends
(To absent friends)
This one's for you, this one's for you
This one's for you
