Shapeshifter

As I reach a field
The walls within
Broken down in silence
It's turning me 'roundStand up to the crowd, like no one is around us
No times like right now, the end it getting nearer
As I hold up my hand, I know that you can feel it
All we need is a sign, the end becomes clearerAs I reach a field
The walls within
Broken down in silence
It's turning me 'round
Take the weight off of you
Lay you down
All I hear are sirens
They won't take me nowCome scream out aloud, let everybody hear us
It's times like right now, strength is in the numbers
Let's tie up the end, I know that we can take it
All we need is a sign, the end is getting nearer
