

# Blue Moon

## Big Star

Let me be your one light  
And if you'd like a true heart  
Take the time to show you're mine  
And I'll be a blue moon in the dark While you sleep you'll see me there  
Clouds race across the sky  
Close your eyes and don't ask why  
And I'll be a blue moon in your eyes Morning comes and sleeping's done  
Birds sing outside  
If demons come while you're under  
I'll be a blue moon in the sky Let me be your one light  
And if you'd like a true heart  
Take the time to show you're mine  
And I'll be a blue moon in the dark
