When The World Ends

[Dave Matthews Band](#)

When the world ends
Collect your things, you are comin' with me
When the world ends
You tuckle up yourself with me
Watch it as the stars disappear to nothing
The day the world is over
We'll be lyin' in bedI'ma rock you like a baby when the cities fall
We will rise as the buildings crumble
Float there and watch it all
Amidst the burnin', we'll be churnin'
You know love will be our wings
The passion rises up from the ashes
When the world endsWhen the world ends you're gonna come with me
We're gonna be crazy like a river bends
We're gonna float through the criss cross of the mountains
Watch them fade to nothing when the world ends
You know that's what's happening now
I'm gon' be there with you somehowI'ma tie you up like a baby in a carriage car
Your legs don't work 'cause you want me so
You just lie spread to the wall
The love you got is surely all the love
That I would ever need
I'ma take you by my side and love you tall
'Til the world endsBut don't you worry 'bout a thing
No 'cause I got you here with me
Don't you worry 'bout a
Just you and me floatin' through the empty, empty
Just you and me
Oh, graces, oh, GraceWhen the world ends
We'll be burnin' one
When the world ends
We'll be sweet makin' loveYou know when the world ends
I'm gonna take you aside and say
Let's watch it fade away, fade away
When the world's done, ours just begun
It's done, ours just beginWe're gon' dive into the emptiness
We'll be swimmin'
I'm gonna walk you through the pathless roads
I'm gon' take you to the top of the mountain

That's no longer there
I'm gonna take you to bed and love you, I swear
Like the end is nearI'm gon' take you up to
I'm gon' take it down on you
I'm gon' hold you like an angel, angel
I'm gon' love you
I'm gon' love you when the world ends
I'm gon' hold you
When the world is over, we'll just be begin
