## **Both Sides Now**

## **Hayley Westenra**

Rows and flows of angel hair
And ice cream castles in the air
And feather canyons everywhere
I've looked at clouds that wayBut now they only block the sun
They rain and snow on everyone
So, many things I would have done
Clouds got in my wayI've looked at clouds from both sides now
From up and down

And still somehow, it's cloud illusions
I recall, I really don't know clouds at allMoons and Junes and Ferris wheels
The dizzy dancing way you feel
As every fairy tale comes real

I've looked at love that wayBut now it's just another show You leave 'em laughing when you go And if you care, don't let them know

Don't give yourself awayI've looked at love from both sides now From give and take

And still somehow, it's love's illusions
I recall, I really don't know love at allTears and fears and feeling proud
To say I love you right out loud

Dreams and schemes and circus crowds
I've looked at life that wayBut now old friends they're acting strange
They shake their heads, they say I've changed
Well something's lost but something's gained
In living every dayI've looked at life from both sides now

From win and lose And still somehow, it's life's illusions I recall, I really don't know life at all
