Into The Ocean Calling You

Evermore

I fall into the ocean, I fly into the sky
All my broken emotion is slowly drifting by
The further I go into myself
The more I find, then I find, I need someone elseI am falling
I am calling you
I am falling
I am calling you, calling you, I amAwake in my bedroom, my head and my heart
You are above and within me, and I know we'll never part
The further I go into myself
The more that I find, I need someone elseI am falling
I am calling you
I am falling
I am calling you, calling you, I am
