

# 1Question (Instrumental)

## 7 Days of Funk

Hear me knockin, I'll be knockin on your door  
Hear me knockin, I'll be knockin on your door I just got one question to ask, do you love me? (do you love  
me?) I just got one question to ask, do you love me? love me  
You said you do but I'm not sure if you love me, love me  
I just got to know right now do you really love me? do you really love me? I just got one question to ask, do you  
love me? (do you love me?) Insecurity, be askin heavy questions, heavy questions  
Don't know why I feel this deep expression, expression  
It's so heavy heavy on my face and my mind  
I keep letting it spoil my grind  
Just got to go, it's that time I just got one question to ask, do you love me? (do you love me?) L-O-V-E  
Do-you-love-me?  
L-O-V-E  
Do-you-love-me? I just wanna know, do you really really care?  
Just wanna know will you always be there?  
Will you always be there?  
Or is this a con to get what you want  
Cus you really don't care I just need you near me  
Hear me, feel me homie, love me only  
And if you can do that for me  
Hold me back like you owe me  
Click clock, hip-hop  
Ready or not? Ready or not not not not not here  
Ready or not not not, that means ready or not  
Ready or not not not not not here  
Ready or not not not, that means ready or not Not not not not not here  
Not not not, that means ready or not  
Not not not not not here  
Not not not, I'll make love to you girl I just got one question to ask, do you love me? (do you love me?)
