AGE OF CONSENT

Grant-Lee Phillips

Won't you please let me go?
These words lie inside they hurt me soAnd I'm not the kind that likes to tell you
Just what I want to do
I'm not the kind that needs to tell you
Just what you want me toI saw you this morning, I thought that you might like to know
I received your message in full a few days ago
I understood every word that it said
And now that I've actually heard it, you're going to regretAnd I'm not the kind that likes to tell you
Just what you want me to
You're not the kind that needs to tell me
About the birds and the beesDo you find this happens all the time?
Crucial point one day becomes a crimeAnd I'm not the kind that likes to tell you
Just what I want to do
I'm not the kind that needs to tell youI've lost you, I've lost you, I've lost you
I've lost you, I've lost you
I've lost you, I've lost you, I've lost you
I've lost you, I've lost you
I've lost you, I've lost you, I've lost you
I've lost you, I've lost you
