

# Babylon

## New York Dolls

See'mon boys  
When I woke up this morning  
Boys I was gone  
My girlfriend asked me  
Where do I come from  
Put my face up in the mirror  
Just to clock my where's  
First thing I know I gotta get outta here[Chorus]  
(On back to) Babylon  
(I gotta get away, to) Babylon  
(So I can't stay) Babylon  
(Cause it's too much fun) BabylonI gotta run, I can't look back  
I gotta get back, I get down to Babylon  
(I'm going to Babylon)I was driving you tonight  
And boys I was gone  
The coppers asked me  
Where do I come from  
One looks at my cards  
One checks my id  
With this junk on my face  
It's easy to see[Chorus]I gotta run, I can't look back  
I gotta get back, I get down  
I gotta get around to BabylonLet's go to Babylon boys  
Two girls for every boyWell a Babylon girl ain't got no past  
The Babylon girl got's to talk so fast  
The Babylon men gonna be a boy  
With the Babylon girl out looking for a joy  
(In) Babylon  
(I gotta get away, to) Babylon  
(Begging I can't stay) Babylon  
(Having to much fun) BabylonI gotta run, I can't look back  
I gotta get back, I get down  
I won't be safe, child nobody's safe til they're in Babylon  
(I'm going to Babylon)She's been massaging all day but she's thinking 'bout you daddy  
Thinking bout you daddy til they all go away  
And when she up there dancing she's just trying make a buck  
Trying make some money gonna give you all a look[Chorus: x2]I gotta run, I can't look back  
I gotta get back, I get down  
I won't be safe, I won't be free, til I hit babylon

(I'm going to Babylon)
