Who Wears The Pants??

SoKo

Have you ever thought of being a man?
Do you think it would ease your pain?
Who could decide yet in your head that you're gonna rot in hell
Now who wears the pants?
And who's gonna wet her plans?
He's the woman
He's the man
Well you just gotta live to tellYou burned all the bridges in the neon light
And you're lost baby, yeah you're lost
You burned all the bridges in the neon light
And you want me to come backYou think that two voices see
And two girls is somehow sexy
In the eyes of God
No matter what
It's a disgrace
That's what I say
So now who wears the pants?
And how does it all make sense?
Can it be love until you miss mother land
Well you'll need to see it againYou burned all the bridges in the neon light
And you're lost baby, yeah you're lost
You burned all the bridges in the neon light
And you want me to come backNow who wears the pants?
And who's gonna wet her plans?
He's the woman
He's the man
Well you just gotta live to tell
You burned all the bridges in the neon light
And you're lost baby, yeah you're lost
You burned all the bridges in the neon light
And you want me to come back
You burned all the bridges in the neon light
And you're lost baby, yeah you're lost
You burned all the bridges in the neon light
And you want me to come backOh, you don't need to come back
