

The Things You Said (Harmony mix)

Depeche Mode

I heard it from my friends
About the things you said
I heard it from my friends
About the things you saidBut they know me better than that
They know me better than thatThey know my weaknesses
I never tried to hide them
They know my weaknesses
I never denied themI heard it from my friends
About the things you said
I heard it from my friends
About the things you saidHow can a view become so twisted
How can a view become so twistedThey know my weaknesses
I never tried to hide them
They know my weaknesses
You tried themI get so carried away
You brought me down to earth
I thought we had something precious
Now I know what it's worthI heard it from my friends
About the things you said
I heard it from my friends
About the things you saidI've never felt so disappointed
Never felt so disappointedThey know my weaknesses
I never tried to hide them
They know my weaknesses
Thought that you liked themThey know me better than that
