

Worship You

Vampire Weekend

Only in the way you want it
Only on the day you want it
Only with the understanding: every single day you want it
[X2]
You, youCity with the weight upon it
City in the way you want it
City with the safety of a never-ending blessing on it
[X2]
You, you[Chorus]
We worshipped you
Your red right hand
Won't we see you once again?
In foreign soil, in foreign land
Who will guide us through the end?Calling on a change, you want it
Calling on the same, you want it
Calling for the misery to always be explained, you want it
[X2]
You, youEnergetic praise you wanted
Any kind of praise you wanted
Little bit of light to get us through the final days you wanted
[X2]
You, too[Chorus x2]
