If You Want

Depeche Mode

Working week's come to its end party time is here again
Everyone can come if they want to
If you want to be with me, if you want to be with me
You can come with me if you want toExercise your basic rights we could build a building site
From the bricks of shame is built the hope
If you want to be with me, if you want to be with me
Even though you may still not want toLet tomorrow and today bring a life of ecstasy
Wipe away your tears of confusion
If you want to be with me, if you want to be with me
You can come with me if you want to
Even though you may still not want to
